

INTERNATIONAL SPECIALIZED EXHIBITIONS

**MARCH 21-23, 2023
MOSCOW,**

POST RELEASE

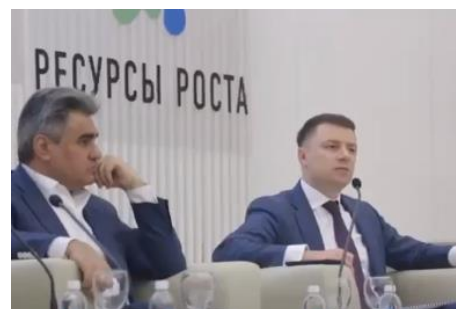

From March 21 to March 23, 2023, there were the 7th International Specialised Exhibition of Professional and Household Chemicals, Raw Materials and Ingredients [ChemiCos](#), the International Exhibition of Cosmetics and Perfumery, Hygiene Products, Ingredients and Packaging [BeautyChemiCos](#) and the Specialized Exposition of Equipment, Chemical Raw Materials and Ingredients for Organizing a Full Cycle Production of Perfumery, Cosmetics, Household and Professional Chemicals and Packaging [ChemiCos Industry 2023](#). The exhibitions changed location and in 2023 were held for the first time at the Expocentre on Krasnaya Presnya (pavilion 7).

The events of the [first day were attended](#) by **Mikhail Ivanov**, Deputy Minister of Industry and Trade of the Russian Federation.

Over 9,500 experts visited the exhibitions, the Forum and industry conferences during the three days.

The Business program of exhibitions for industry experts included the [IV International Industrial Forum "Resources for Growth. Chemistry for Life: State and Business"](#) and [the Industry conference on the development and promotion of the market of cosmetics and household chemicals ChemiCos](#). During the discussions and speeches, the issues of developing the industries of perfumery and cosmetic products and household chemicals, the production of raw stuff, materials, equipment and components, the formation of a plan for further actions to bring the Russian chemical industry to a new level, and increase in trade turnover were discussed.

At the exhibition site, a traditional meeting of manufacturers and buyers was held as part of the Session of closed personal meetings Purchaser-Supplier. Purchasers of such networks and marketplaces as Svetofor, 36.6; Yandex.Market, Yarche!, Dobronom (Belarus), SberMegaMarket, IRIS, Familia, Bonjour, Chic and Shine, etc. took part in 140 negotiations

More than 150 manufacturers took part in the exposition, which presented more than [350 brands](#), novelties and premieres from Russian and foreign manufacturers and distributors at their stands. As part of the exhibition, products from 24 countries of the world will be presented: Australia, Brazil, Hungary, Germany, Egypt, Indonesia, India, Italy, Spain, Kazakhstan, Canada, China, Malaysia, Poland, the Republic of Belarus, Russia, Serbia, Thailand, Turkey, Uzbekistan, France, Switzerland, South Korea, and Japan. For buyers at the stands of exhibitors, [special conditions](#) will apply when drawing up contracts during the exhibitions.

The events are supported and assisted by the Ministry of Industry and Trade of Russia, Mayer Group of Companies, the Russian Union of Industrialists and Entrepreneurs, the Russian Union of Chemists, the Chamber of Commerce and Industry of the Russian Federation, the Association of Perfumery, Cosmetics, Household Chemicals and Hygienic Goods, Association "CIS Business Center for Economic Development" (Business Center of the CIS).

In 2023, new projects were launched as part of the ChemiCos and BeautyChemiCos exhibitions. In the new conditions of doing business in Russia, new solutions in the supply chains and production of raw materials, ingredients and industrial equipment have become critically in demand. To solve these problems, the specialized exposition ChemiCos Industry was held within ChemiCos for the first time. And the BeautyChemiCos exhibition has expanded with specialized sections "Perfumery and niche cosmetics", as well as "Dietary supplements and vitamins".

This year, the number of companies offering their facilities for [contract manufacturing](#) has significantly increased. More than 30 manufacturers from among the participating companies that took part in the International Exhibitions ChemiCos, Beauty ChemiCos and ChemiCos Industry offered their opportunities to representatives of brand holders, wholesalers and retailers, private entrepreneurs and retailers at their stands.
